Studies show that 80 percent of employers believe the organization is supporting the physical and emotional health of the workforce; only 46% of employees agree.

Bridging the Gap Between Potential and Performance

Since 1966, Leadership Management® International has been bridging the gap between potential and performance by helping organizations and individuals evaluate their strengths and opportunities through implementation of the unique and proven LMI Process™.

The LMI Process™

- Develops leaders who, in turn, empower their people to use their untapped talents and abilities.
- Identifies key areas the organization should focus on to reach the next level of success.
- Gives direction to an effective solution and delivers measurable results.

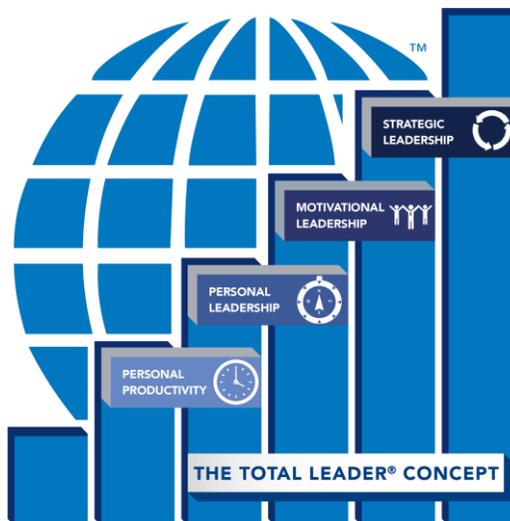

The LMI Process™ is designed around The Total Leader® Concept model with four vital components:

- Personal Productivity
- Personal Leadership
- Motivational Leadership
- Strategic Leadership
